

STILLMAN VALLEY CARDINALS JUNIOR TACKLE

June 16, 2009

Dear Sponsor:

Junior Tackle Football in Stillman Valley is beginning its 28th season. This year all teams are competing in the I-5 Conference.

Let's go Cardinals!

Stillman Valley Junior Tackle is an Illinois not-for-profit organization. Our volunteer's mission is to educate our young athletes in sportsmanlike conduct on and off the playing field and prepare them to participate in our high school program. We support teams of 5th, 6th, 7th, and 8th grade players from the Stillman Valley area. Practices begin at the end of July; Monday through Thursday from 5:30 – 7:30 pm at the Davis Junction Park football field. Our games begin on Saturday, August 15th.

In 2007, we played our first year as Stillman Valley Junior Tackle. We are now the Cardinals and proud of it! Thanks to support like yours, our players have proudly represented their community in new helmets, game jerseys, and game pants. This season, the players are thrilled to have new practice jerseys as well. Your continued support remains very important. All sponsor donations go toward equipment purchases and facility improvements. We strive to suit up all our players with the safest equipment. Your contributions ensure that we maintain that commitment to our athletes.

Sponsors will be recognized with regular announcements during home games and can be viewed online at www.stillmanjrtackle.com. Check our website often for general announcements, game schedules, standings, and game photos. We encourage all our sponsors to join us at our home games to cheer on our athletes.

We genuinely appreciate your support. Your donations will contribute to the success of our 2009 season and provide the foundation for future seasons.
